**Tools:** Stata (advanced), R (working proficiency), MS Office (advanced), L<sup>A</sup>T<sub>E</sub>X/Overleaf

## Education

### Crawford School of Public Policy, Australian National University (ANU)

*Ph.D. in Economics*

**Canberra, Australia**

*Feb 2020 – Jun 2025*

**Department:** Arndt–Corden Department of Economics

**Thesis:** Essays on international trade and development: evidence from Indonesian microdata

**Supervisors:** Arianto Patunru (Chair), Prema-chandra Athukorala, Yixiao Zhou

### Universitas Indonesia

*Master of Science in Economics*

Grade: 3.86/4.00

**Depok, Indonesia**

*Jan 2013*

### IPB University

*Bachelor of Science in Economics*

GPA: 3.65/4.00

**Bogor, Indonesia**

*Jul 2010*

## Professional Experience

### Department of Spatial Economics, VU Amsterdam

*Postdoctoral Researcher*

**Amsterdam, The Netherlands**

*Oct 2025 – Sep 2026 (expected)*

- Researching the political economy and environmental implications of critical minerals export restrictions, especially nickel, in Indonesia.
- Assessing whether export bans improve domestic value capture in clean technology supply chains (including batteries and electric vehicles).

### Centre for Strategic and International Studies (CSIS) Indonesia

*Researcher (On Leave)*

**Jakarta, Indonesia**

*Jan 2025 – Present*

- Lead researcher on international trade, geoeconomics, industrial policy, labour policy, and macroeconomic issues.
- Led development of a green trade roadmap for the Ministry of Trade of Indonesia.
- Produced policy commentary and research for public and policy audiences.
- Represented CSIS in public policy forums and stakeholder dialogues.

**Australia Indonesia Partnership for Economic Development (Prospera)**

**Remote**

*Trade and Investment Economist (Part-time Consultant)*

*Jun 2024 – Feb 2025*

- Led strategy advice on climate-related trade policy developments in Indonesia's partner countries.
- Supported Government of Indonesia counterparts on implementation planning for the RCEP agreement.

**IA-CEPA Katalis**

**Remote**

*Trade and Investment Economist (Part-time Consultant)*

*Apr 2021 – Dec 2024*

- Produced sectoral studies to identify growth opportunities and policy barriers in IA-CEPA priority sectors.
- Identified regulatory reforms to align domestic regulations with IA-CEPA commitments.
- Assessed implications of investment restrictions, including minimum paid-up capital requirements.

**Australia Indonesia Partnership for Economic Development (Prospera)**

**Jakarta, Indonesia**

*Trade and Investment Economist*

*Jul 2015 – Dec 2019*

- Advised Indonesian ministries on trade and investment reforms to improve competitiveness.
- Supported technical work underpinning ASEAN+1 implementation, WTO Trade Facilitation Agreement, RCEP, and CPTPP readiness discussions.
- Presented policy analysis at senior government meetings and multi-stakeholder consultations.
- Designed and delivered capacity-building initiatives on trade policy formulation and implementation.

**Employers' Association of Indonesia (APINDO)**

**Jakarta, Indonesia**

*Lead Economist*

*Nov 2013 – Dec 2014*

- Led APINDO's economic policy white paper for the incoming administration (2014–2019).
- Supported business representation in trade negotiations (including Indonesia–EU CEPA and Indonesia–Korea CEPA).
- Led labour policy analysis and advisory work on labour market flexibility and competitiveness.

**Economic Research Institute for ASEAN and East Asia (ERIA)**

**Jakarta, Indonesia**

*Research Associate*

*Aug 2011 – Nov 2013*

- Conducted policy research on ASEAN economic integration, trade, and investment.
- Coordinated multi-country research activities with government, academic, and policy stakeholders.

**Demography Institute, Universitas Indonesia**

**Depok, Indonesia**

*Research Assistant*

*Dec 2010 – Jul 2011*

- Supported survey implementation, data quality assurance, and applied economic analysis.

## Selected Projects

---

### CSIS Indonesia

**Jakarta, Indonesia**

*Green Trade Roadmap (Research Lead)*

*Jun 2025 – Jun 2028*

- Leading development of Indonesia's green trade roadmap to strengthen low-carbon export competitiveness and align trade strategy with decarbonization goals.
- Managing analytical workstreams on sector prioritization and policy design, including trade, investment, fiscal, skills, standards, and regulatory instruments.
- Coordinating ministries, private sector, and policy stakeholders to convert roadmap recommendations into implementable actions with clear timelines and responsibilities.

### PhD Project

*Ph.D. Thesis Project (Australia Awards Scholarship)*

*Jun 2021 – Dec 2024*

**Title:** Essays on International Trade and Development: Evidence from Indonesian Microdata

- Built and managed microdata workflows and econometric analysis across multiple papers.
- Generated policy-relevant evidence on trade, productivity, and labour market outcomes.

### ADBI and Templeton Foundation

*Aug 2023 – May 2024*

**Title:** Labour market impact of export in a commodity-dependent economy: evidence from Indonesia

### ERIA and Ministry of Finance (Indonesia)

*Aug 2022 – Jun 2023*

*Revitalising Indonesian Manufacturing Sector*

- Assessed sectoral performance and global market opportunities for Indonesian manufacturing.
- Produced strategy recommendations to improve productivity and long-run growth.

### Prospera

*Implementing RCEP (Regulatory Review Lead)*

*Aug 2022 – Feb 2023*

- Identified misaligned regulations and proposed reform pathways for stronger RCEP implementation.
- Mapped sectors likely to gain or face adjustment costs under deeper integration.

### IA-CEPA Katalis

*Implementing Indonesia–Australia CEPA (IA-CEPA)*

*Apr 2021 – Sep 2021*

- Mapped domestic regulations against IA-CEPA commitments and identified priority reforms.

## Academic Presentations (Selected)

---
